Re: Notice of Ex Parte Communication; Wireless E911 Location
Accuracy Requirements; PS Docket No. 07-114; CC Docket No.
94-102; WC Docket No. 04-36 & 05-196

Dear Ms. Dortch:

On March 24, 2010, Brendan Kasper, Senior Regulatory Counsel of Vonage Holdings Corp., and myself met with members of the Public Safety and Homeland Security Bureau including Jeff Cohen, Senior Legal Counsel; Tom Beers, Chief of the Policy Division as well as Patrick Donovan, David Siehl, and Aaron Garza.

During the meeting Vonage discussed the Commission's VoIP E911 rules as well as a number of industry and regulatory developments that will foster the growth of mobile VoIP. Vonage discussed its leadership in the deployment of VoIP and E911 capabilities and underscored its continued commitment to public safety. Vonage expressed its desire for the Commission to craft rules that would govern next generation E911 services, including mobile VoIP.

Sincerely yours,

William B. Wilhelm, Jr.

Counsel for Vonage Holdings, Corp.
